P.O. BOX 31  
80 LORILLARD ROAD  
TUXEDO PARK, NEW YORK 10987

Date: May 18, 2011  
To: Village Board of Trustees  
From: John C. Ledwith IV  
Re: **May 2011 Departmental Reports**

**1. Building Dept.**

- a. Received request from Randy Miller for reimbursement of \$15,000 deposited for future improvement of Cliff Rd. Ten year holding period expired April 2, 2011. Requesting Trustee approval to reimburse the \$15,000 deposit.
- b. Hurley - Issued letter regarding violations of the Village Code. Deadline date for completion of work is July 30, 2011.
- c. Tuxedo Park Estates - Contacted attorney for Tuxedo Park Estates. He is setting up meeting to identify hazardous trees on Tuxedo Rd.
- d. Hartmann – I need to contact homeowner and schedule inspection to identify trees and address condition of the porch.

**2. Water Dept.**

- a. Sent letters to terminate water service at eleven town accounts. All eleven accounts have been delinquent for more than three billing quarters.
- b. Need motion from Village Board to levy unpaid Village water account balances onto June 2011 Village Tax Bill. Total balance owed by Village account holders is \$19,094.11. Payments will be accepted up until 4 p.m. this Friday.

**3. Sewer Dept.**

- a. Received only four responses to twenty eight letters that were sent to Village residents regarding the sewer inflow reduction program. I spend considerable time contacting homeowners to schedule inflow and infiltration inspections. At this time six inspections are scheduled tomorrow.

**4. Utilities**

- a. Work related to electrical energy savings audit and grant has been completed.

**5. General**

- a. Repaired flag mechanism on main gate flag pole.
- b. In process of repairing windows on top floor of former Police Station

Re: Cliff Road  
Tuxedo Park, New York

Dear John:

I hope all is well with you and yours, and everyone in Tuxedo Park.

When I had last inquired about the \$15,000.00 Road Bond for the Cliff Road house, you had stated that the Bond was for ten years, pursuant to an April, 2001 arrangement. I would appreciate it if you would review your file in this regard, and process the refund of the Bond to me at this time.

Obviously the two Bonds on the Pine Road house will not be due for refund to me until a Certificate of Occupancy is issued.

Thanks as always for your assistance.

Very truly yours,

A handwritten signature in cursive script that reads "Randy Miller".

Flemington, NJ 08822

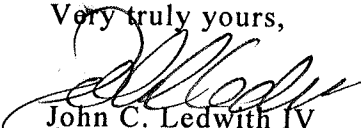

**Re: Cliff Rd. – Road Bond**

Dear Randy:

My apologies for the delay, but the records indicate that the road bond posted for the Cliff Road project was for 10 years. I checked the files and could not locate any information regarding a five year term.

As your building permit for the Pine Rd. project has expired, please see me to discuss bringing this project to a close. Absent a building permit no work should be undertaken at this time.

Very truly yours,

  
John C. Ledwith IV  
Building Inspector

VILLAGE BOARD MEETING  
SECOND WEDNESDAY OF EACH MONTH

**VILLAGE OF TUXEDO PARK**  
P.O. BOX 31  
80 LORILLARD ROAD  
TUXEDO PARK, NEW YORK 10987

March 11, 2010

Mr. Randy Miller  
8 Cherryville Rd.  
Flemington, NJ 08822

Dear Randy:

Enclosed please find a listing of the bond monies held by the Village of Tuxedo Park for the completion of both Cliff Rd. and Pine Rd. projects.

As the house on Cliff Rd., currently owned by the Buckminsters, has been completed, enclosed please find check #0976 in the amount of \$15,000 as reimbursement of the performance bond posted with the Village of Tuxedo Park. With regard to the bond in the amount of \$15,000 held for the future construction of Cliff Rd., the agreement with the Village Board expires next year on March 21, 2011.

As your project on Pine Rd. has not been completed, please contact me at 351-4745 ext. 11 to review the procedures for obtaining a Building Permit to complete the house and the sewer injector pump system.

Very truly yours,

John C. Ledwith IV  
Building Inspector

Enc

Randy Miller - Status of Performance Bonds		
Location	Amount	Description
<u>Cliff Rd.</u>		
Bond for the construction of the house	\$ 15,000	House is finished. House was purchased by Buckminster on May 16, 2003.
Bond for future construction of the road	\$ 15,000	On March 21, 2001 Trustees approved that the Bond is held for 10 years.
<u>Pine Rd.</u>		
Bond for the construction of the house	\$ 35,000	House is not complete. Original Building Permit has expired.
Bond for the sewer line installed in Pine Road up to the intersection of Ridge Rd.	\$ 8,938	Sewer line has been installed. Sewer system is not operational at this time. Don't know if the line was pressure tested

**Re: Village Code Violation**  
**Parcel No. 107-1-95**

Dear Mr. Hurley:

In response to your letter received on April 19, 2011, I have discussed this matter with the Village Engineer, and the Village Board of Trustees and have been advised to proceed with the enforcement of the Village Code.

As per my letter to you dated July 19, 2006, in accordance with the Village Code Section 75-9 the exterior of the premises shall be kept free from any nuisance, abandoned, uncovered or structurally unsound wells, shafts, towers, chimneys, exterior cellar openings, basement hatchways, foundations or excavations.

**NUISANCE**

A. Any public or private condition that would constitute a nuisance according to the statutes, laws and regulations of the State of New York, its governmental agencies or the regulations and laws of the Village.

B. Any physical condition existing in or on the exterior of any premises which is potentially dangerous, detrimental or hazardous to the life, health or safety of persons on, near or passing within the proximity of premises where said condition exists.

§ 75-9. Exterior maintenance standards.

**[Amended 2-21-1990 by L.L. No. 1-1990]**

The exterior of all premises shall be kept free of the following matter, materials or conditions:

A. Refuse, as hereinabove defined.

B. Rubbish, as hereinabove defined.

C. Construction materials.

D. Abandoned, uncovered or structurally unsound wells, shafts, towers, chimneys, exterior cellar openings, basement hatchways, foundations or excavations.

E. Abandoned iceboxes, refrigerators, boilers, hot-water heaters, television sets and other similar major appliances.

F. Nuisances, as hereinabove defined.

G. Vehicles or parts thereof, including boats and trailers, motorized or not, licensed or unlicensed, registered or unregistered, which vehicles or parts thereof are or have been junked, abandoned, dismantled or are in a state of visible disrepair.

H. Fallen trees, limbs or branches within 50 feet of a public roadway or neighboring property line.

I. Deteriorated fences.

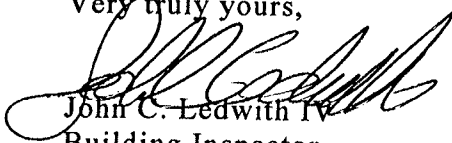

**[Added 1-21-1998 by L.L. No. 1-1998]**

J. Deteriorated structures.

**[Added 1-21-1998 by L.L. No. 2-1998]**

Failure to supply me with a building permit that includes: (1) the removal of the debris from the existing open basement, (2) removal of both chimneys, (3) filling in the open basement with clean fill to grade, and (4) a time line indicating when the work will be completed no later than July 30, 2011, will cause the issuance of an appearance ticket before the Village Justice Court.

Very truly yours,

  
John C. Ledwith IV  
Building Inspector

**Re: Property Maintenance Violations**  
**Parcel # 107-1-95**  
**Serpentine Road**

Dear Mr. & Mrs. Hurley:

I contacted you via phone early in the year to resolve several property maintenance violations that exist on your property. As of today, I have not heard back from you.

On July 17, 2006, while performing site inspections in the area of your property, I noticed that the following violations still exist (highlighted sections):

**§ 75-9. Exterior maintenance standards.**

The exterior of all premises shall be kept free of the following matter, materials or conditions:

- A. Refuse, as hereinabove defined.
- B. Rubbish, as hereinabove defined.
- C. Construction materials.
- D. **Abandoned, uncovered or structurally unsound wells, shafts, towers, chimneys, exterior cellar openings, basement hatchways, foundations or excavations.**
- E. Abandoned iceboxes, refrigerators, boilers, hot-water heaters, television sets and other similar major appliances.
- F. **Nuisances, as hereinabove defined.**
- G. Vehicles or parts thereof, including boats and trailers, motorized or not, licensed or unlicensed, registered or unregistered, which vehicles or parts thereof are or have been junked, abandoned, dismantled or are in a state of visible disrepair.
- H. **Dead and fallen trees, limbs or branches within 50 feet of a public roadway or neighboring property line.**
- I. Deteriorated fences. [Added 1-21-1998 by L.L. No. 1-1998]
- J. Deteriorated structures. [Added 1-21-1998 by L.L. No. 2-1998]

**§ 75-18. Hazardous growths prohibited.**

No brush, tall grass, rubbish or weeds which constitute a fire or health hazard to the residents of the Village of Tuxedo Park or to adjoining properties shall be permitted to grow, accumulate or spread on any real property in the Village.

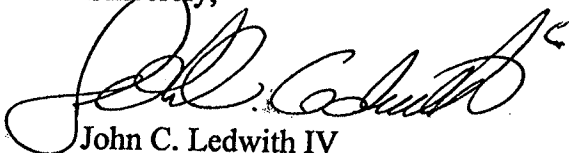

**NYS Property Maintenance**

**§PM302.4 Weeds.** All premises and immediate exterior property shall be maintained free from weeds or plant growth in excess of 10 inches (254 mm). All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.

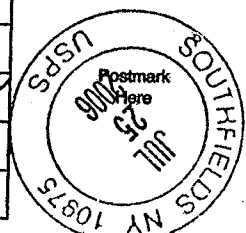

Upon failure of the owner or agent having charge of a property to cut and destroy weeds after service of a notice of violation, they shall be subject to prosecution in accordance with §PM106.1. Upon failure to comply with the notice of violation, any duly authorized employee of the jurisdiction or contractor hired by the jurisdiction shall be authorized to enter upon the property in violation and cut and destroy the weeds growing thereon, and the costs of such removal shall be paid by the owner or agent responsible for the property.

Please contact me at upon receipt of this letter to discuss a plan of action to resolve these matters. I can be reached at (845) 351-4745 ext. 11.

Sincerely,

John C. Ledwith IV  
Building Inspector

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

Mr. Ledwith,

I am sorry to press you for guidance, but I wrote to you on Friday and your deadline is fast approaching.

Is the tree you are referring to the one behind the carriage path retaining wall. It is beyond 50ft from the road, but the branches are visible. I asked Mike Glusko to address it, but I do not know if that is the what you are referring to.

As you know, the rail replacement is in progress and has been since July 2010. Joe Sorice is behind in his work and expects to install the new railing soon.

I also need your advice on the porch. I can have the woodwork, which is what give the appearance of neglect, photographed and removed. I cannot have it reconstructed at this time. I am not being willful with regard to this. It is a question of finances.

Please let me know how to proceed.

Sincerely,

Lisa E Hartmann-Ting

P.O. BOX 31  
80 LORILLARD ROAD  
TUXEDO PARK, NEW YORK 10987

April 11, 2011

**Re: Inflow Reduction Program**

Dear Property Owner:

The Village is required by the NYSDEC to address Infiltration and Inflow (I/I) into its sewage collection system as a condition of its permit to operate our sewage treatment plant. Infiltration and inflow is clean groundwater or rainwater runoff that enters the sewer system through, damaged pipes and manholes, or through improper connections of stormwater catch basins, roof leaders, driveway and yard drains, and sump pumps. This clean water adds unnecessary volume to the collection system and the treatment plant, increasing operating costs and potentially resulting in sewer overflows.

The Village Engineer (Weston & Sampson) has performed system wide flow monitoring that indicates that of the 17 subareas in the park, the Camp Comfort Road and Ontio Road sewer sub areas exhibit the highest relative I/I contribution. As such, the Village has authorized Weston & Sampson to perform further detailed investigations in these sub areas to identify the specific sources of the I/I. These detailed investigations will include visual inspection of sewer mains and manholes, as well as yards and homes in these areas to identify I/I sources.

Sewers and manholes will be inspected using either direct visual and/or closed circuit remote television inspection techniques. Many of these sewers and manholes are located on private property. In these cases extreme care will be taken not to damage private property. Should any damage occur, it will be documented and repaired. Yards and residences will be visually inspected by Weston & Sampson staff for improper connection of sump pumps, yard and driveway drains, roof leaders, and any other potential sources of I/I.

In cases where connections to the sewer cannot be visually determined such as roof leaders going into the ground or sump pump piping behind walls, non-toxic biodegradable dye testing will be performed. This testing will involve the injection of dyed water into the potential source while a downstream manhole is monitored. This inspection work will require access to private residences and yards. Therefore, we request that you or a representative be present to accompany the inspectors and answer any questions they may have. The inspection should not take more than about 15 minutes unless dye testing is required in which case considerably more time is needed depending on the number of unconfirmed potential sources.

Upon completion of the inspection, the inspector will inform you or your representative of any improper connections to the sanitary sewer system. The Village will also notify you in writing of the improper connections to the sanitary sewer system. These improper connections must be removed. A follow up inspection date will be provided in the notification letter.

(over)

We are asking for your patience, help, and cooperation with this work which is scheduled to take place from April 25, 2011 to April 29, 2011 between the hours of 8:00AM to 5:00PM. Upon receipt of this letter, please call me at 351-4745 ext. 11 or email me at [jledwith@tuxedopark-ny.gov](mailto:jledwith@tuxedopark-ny.gov) to schedule an appointment for the house inspection during this time period.

We apologize for any inconvenience you may experience during this work and appreciate your anticipated cooperation as we work to comply with our permit, improving our sanitary sewer infrastructure and protecting the environment.

If you have any technical questions, please contact the Village Engineer, Weston & Sampson at (845) 454-3344.

Sincerely,  
John C. Ledwith IV  
Sewer Inspector
