Dear Community Members of Tuxedo,

As you may know, the Tuxedo Union Free School District has engaged Four Point Education Partners, a national education consulting firm, to assist us in developing a long-term plan for the education of our students. It is our goal is to provide all of our students with a comprehensive education in a fiscally responsible manner, and Four Point will assist us in gathering data and analyzing the various options that may be available to us.

As these decisions will impact our students, children and families, we believe it is critical to involve all stakeholders in this process. To that end, our Four Point consulting team has planned on-site visits to meet with the various stakeholder groups on Monday, June 4th and Tuesday, June 5th.

We invite you to join us on the evenings of **June 4th or June 5th at 7:00 p.m.** for a community focus group located in the **GGM Multipurpose Room**. Kindly RSVP to Mr. Takeuchi at (845) 351-4786 ext. 2101 by June 1st if you plan on attending.

I hope that you will be able to join us and help set the path forward for our students.

Sincerely,

Nancy Teed
Superintendent of Schools
