

Fall Fun Run

On Saturday, October 3rd, at 10am, we will host our second Fun Run around the beautiful lakes of Tuxedo Park.

It's a safe opportunity to encourage fitness, enjoy the great outdoors, and also support the many good works of St. Mary's-in-Tuxedo!

- Runners can choose how far they want to run/jog/walk (2.5 miles around the small lakes, 4.5 miles around Tuxedo Lake, 7 miles around all the lakes).
- Runners/walkers will check-in at the starting point (the lawn across from the club, at Lorillard Rd and West Lake Rd), look for the black & white checker flag.
- Masks are required at the starting point, but runners may remove their masks when they're running alone or with just their immediate family.
- Awards will be announced for runners with the fastest times, the most sponsors, and the greatest total dollars raised.

Please consider running or becoming an event sponsor.
