NOTICE WATER RESTRICTIONS

Due to power outages to our pump station, high water demand, and the subsequent decline in water tank levels, we request that **effective immediately** our water customers take voluntary steps to conserve water.

All customers are asked to restrict their outside watering. Suggested steps to conserve water include: NOT using sprinklers to water the lawn or garden, NOT washing cars, and NOT filling or topping up swimming pools.

Outside watering should be limited to Monday and Wednesday mornings between 7:00-9:00 AM.

Thank you for your cooperation.
