

WEE WAH BEACH CLUB

Wee Wah Road - P.O. Box 135 Tuxedo Park, NY 10987

Welcome to the 2020 Season!

Dear Members and Friends,

Thank you for your patience! We know that you have all been waiting for news about the beach club opening for this season and we are very happy to report that, despite many obstacles presented by the coronavirus pandemic, the club will be opening. The date will depend on scheduling our preseason inspection with the health department next week and as soon as that is complete we will send out the exact opening date and hours information. As with everything else in our lives since March, COVID-19 will affect beach operations and behaviors. However, the WWBC Executive Board decided that the extra effort and expense associated with complying to the mandatory state guidelines were outweighed by the need for our members to have a place to swim, relax and safely enjoy their summer. Protocols have been put in place which will be strictly enforced to protect both our members and employees, but we are confident that we can count on your cooperation for the good of all!

PLEASE NOTE - A FULL SET OF COVID-19 RULES IS ENCLOSED BUT WE WANT TO HIGHLIGHT THE FOLLOWING:

- We will have a COVID-19 monitor on duty to assist members in complying with the state guidelines. The monitor will do temperature and mask checks, direct cars to properly spaced parking spots, and help members demarcate their family area.
- Members are responsible for bringing their own masks to the beach and will not be allowed to enter without one for all household members. Children five and under are not required to wear a mask. Masks may be removed within your marked family area and when in the water.
- Social distancing must be observed at all times when outside of your family area.
- At the present time, as per the state guidelines, use of the picnic tables and grills is prohibited. This may change but until it does, please feel free to bring chairs and tables from home.

Traffic Safety

Each year we remind our members to drive slowly and carefully to the WWBC because we share the roads with many residents who are out jogging, cycling or just taking a stroll. This year, with many more residents occupying homes in the Village, it is even more critical that we do so. In cooperation with the Village of Tuxedo Park Board of Trustees and the Village Police Department we ask all members who are not Village residents to adhere to the following procedures:

- From Monday through Friday please access the beach via the main gate. Follow Tuxedo Road to Lorillard Road and then bear left onto Wee Wah Road to get to the beach. The Village has installed a license plate reader at the main gate and, like their residents, Wee Wah members will be asked to provide license plate info on our registration form.
- On Saturday and Sunday non-Village residents should access and exit the WWBC via the north gate. The north gate is located by driving through the Quarry Field parking lot off of Warwick Brook Road. A police officer will be stationed there to grant access. Once inside the gate, the WWBC is just a short distance away.
- As previously mentioned, we will be sharing the Village roads with many others. For the safety of all it is important that drivers follow a recommended speed limit of 20 mph. The Village police will be implementing several road safety and speed deterrents. Just as with masks and social distancing we must all do our part for the safety of others!

Donations

Donations are always gratefully accepted and allow us to continue to make improvements to the facility.

We would like to extend our thanks to the members who donated to the beach in 2019. Their contributions are greatly appreciated by all. There is a line on the registration form for anyone who would like to make a contribution. We can't thank everyone enough for their financial support.

Please note E-mail

The club's constitution allows us to send official notices via email. When filling out your registration form, please provide us with your current

email address. The use of email saves us money and provides the board with a timely and convenient way to notify members about issues of concern and upcoming events.

Please be assured that your address will be used only by the WWBC and not shared with any other organizations or businesses.

Swimming Hours

Due to liability concerns and Department of Health regulations, **no bathers may remain in the water past 8 pm or any other time there is insufficient visibility.**

Please note that swimming is not permitted while the lifeguard is setting up and storing our safety equipment. Also, **all members and guests must leave the Beach Club premises when the lifeguard locks the gate. NO ONE MAY REMAIN ON BEACH CLUB PROPERTY WITHOUT A LIFEGUARD ON DUTY.**

Please note: For safety reasons, the lifeguard on duty will take mandated breaks during the course of the day. **No one will be permitted in the water during the lifeguard's breaks!** We ask your cooperation in this important safety issue.

Carry In/Carry Out Trash Policy

Once again the WWBC will operate with a carry in/carry out policy for trash. Please remember to bring a bag and take your trash with you as you leave. If you forget to bring a bag, simply request one from the checker.

Rules & Regulations

Please read all of the regular beach rules and the new COVID-19 compliance rules included with this letter.

Please note, all rules will be strictly enforced and failure to comply may result in the loss of membership (without a refund).

Please remind your children and guests that the beach employees are the final authority at the Beach, and their directions must be followed at all times!

If patrons continue to break beach rules, the Executive Committee will decide on one of the following two options:

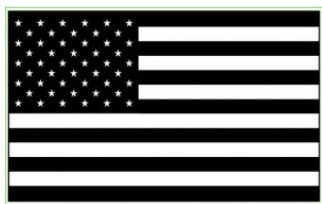

1. Minor children must be accompanied to the beach by their parent, regardless of their age.
2. In the case of serious or continual infractions, the family's membership will be rescinded for the remainder of the season, and no refund will be given.

Check-in: Please wait patiently while the checker checks you in and ensures you have masks for ALL members of your party. **DO NOT** bypass the check-in line and park.

Dues

Membership categories are included in this letter on a separate page. Dues are listed on our registration sheet.

As always, the Beach Club would like to extend special consideration to anyone needing a reduction in dues in order to join the Beach. All requests are strictly confidential and should be addressed to Bonny at (845) 351-5232.

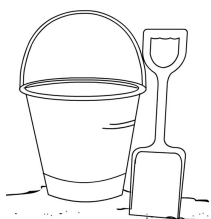

FOURTH OF JULY

The Fourth of July holiday at the beach is always very popular with our members. Please watch your email and our Facebook page for updates on the club's plan for this year.

Note: There will be no fireworks on July 3, 2020.

Earlier this Spring, the large wooden playground structure was found to be in disrepair and it was removed from the beach. It was donated over 20 years ago and was enjoyed by many children over the years at the beach. If you or anyone you know has playground equipment that your children have outgrown that you would like to donate, please contact Bonny at (845) 351-5232.

WEE WAH BEACH CLUB SUMMER 2020 COVID-19 RULES

In order to be permitted to open the Wee Wah this summer, WWBC must comply will rules set forth by NY State and the Village of Tuxedo Park. The WWBC has agreed to abide by these rules in order to be permitted to open the WWBC to members amidst this pandemic. We take the safety of our members and our commitment to follow and enforce these rules very seriously and we ask for your cooperation. We understand that they are stringent but we believe that offering a place for people to swim and visit (at a distance) with community members outweighs the inconvenience.

1. **Social Distancing:** Any non-related or non-household members must maintain a 6 foot distance from other members (children included) at all times (including in the water).
2. **No Guests:** There will be no guests permitted, except for immediate family guest passes, see 4, below.
3. **No Parties:** There will be no parties permitted at WWBC this summer.
4. **Family Passes:** Family passes will be permitted but only for immediate family of the member (i.e. parents, grandparents, children, and grandchildren). Siblings, cousins, aunts, and uncles will not be considered immediate family.

6. **Health Checks:** All members will be asked if they have been experiencing any COVID related symptoms. Any member who has been exposed to someone who has tested positive OR is experiencing symptoms should not use the WWBC unless and until they have been symptom free for 10 days. **WE ARE ALL RESPONSIBLE FOR THE SAFETY OF OUR COMMUNITY.**
7. **Temperature Checks:** WWBC will be employing temperature checks as a condition to entry.

9. **Assigned Areas:** All member units will select a spot at WWBC each time they enter, all spots will be at least 6 - 10 feet apart from other assigned spots. The COVID-19 monitor or checker will demarcate the assigned area. Members may take off masks in allocated spots. When outside the allocated spaces, masks must be worn and social distancing between non household members of at least 6 feet must be observed.

13. **One-way Traffic:** Pedestrian traffic will be one way and in a counter clockwise direction. The first set of stairs will be used to enter the water and the stairs closest to the lifeguard will be used to exit the water.
14. **Supervising Children:** Children under 11 must be directly supervised by parents at all times, parents are responsible for children social distancing.
